

2024 Pemberton Township HS Strategic Plan

Mission, Vision, and Aspirations

The mission of Pemberton Township High School is to build a community in which each member is empowered to develop his or her unique potential. By modeling positive values such as empathy, perseverance, integrity, and gratitude (E.P.I.G.). Our goal is to develop learners and innovators, who are responsible, productive, caring, and wholehearted citizens of a global community.

Core Values

Empathy - Perseverance - Integrity - Gratitude

Strengths	Weaknesses	Opportunities	Threats
Administrative Support	Whole Staff Buy-In	Legacy Foundation	Funding
Climate and Culture Facilitators	Community and Parent/Guardian Integration	Challenge Day Follow-Through	Changes in Administration
Designation as State and National	Service Learning across the curriculum	Relationship with Middle School	
Evidence			
Solid Foundation of Core Values			

Objectives, Strategies, and Operational Tactics

1. Apply for recertification as a State and National School of Character
2. Culture shift the display of core values from extrinsic motivation to intrinsic motivation
3. Incorporate more parent/community involvement

Moving Forward

Mentor School - Build up service learning that is directly tied to curriculum - Rebuild student survey data participation - Maintain Certification
