In 2023, The Center Community Outreach established the "Be The Person" Scholarship with the aim of supporting students from Pemberton Township. This scholarship reflects the commitment of The Center to empower and uplift young individuals in our community. In a 300-word essay, describe the impact a Youth Center like The Center would have had on your upbringing during your elementary and middle school years in Pemberton Township. Reflect on the role of mentors, homework club tutors, sports programs, and access to food assistance in shaping your academic, personal, and social development. Consider how having such a resource available during grades 4th to 8th could have influenced your trajectory before entering high school. Share insights into how The Center's offerings might have positively impacted your journey. Share how winning this scholarship will meet the mission of The Center which is to someday "be the person you needed growing up".
