ANNOUNCES

THE FRANCES R. PLISKIN MEMORIAL HIGH SCHOOL SCHOLARSHIP

There will be 6 scholarships awarded to graduating seniors documenting, by means of an essay, the important role that their school counselor has made in their lives. The essay can reflect help from a school counselor in the student's academic or personal life.

Criteria:

The candidate must be a New Jersey resident, must be a graduate of a Burlington County high school and must have been accepted into a college or university. The counselor MUST be a member of the Burlington County School Counselors Association (BCSCA).

The candidate must write a 300-500-word essay describing how the school counselor influenced his/her life in a positive way. For example: Did the counselor provide support during a critical time? Did the counselor help in making a critical decision? Did the counselor help build self-esteem and confidence? Did the counselor impact your life personally/academically and/or socially?

The candidate must submit this application signed by both student and counselor, along with a copy of their high school transcript and letter of acceptance from the college or university he/she will be attending in the fall.
