

December 16, 2019

General Board Meeting

Attendees: Darnell, Alyssa, Jessica R., Jessica D. Sanai, Tanya, Darnell

After the Stockings for Soldiers - Helen Fort

Both school principals said the staff was very appreciative of the sandwiches and soup for Parent Teacher Conferences.

We have two new parent liaisons- Jessica Risoldi and Alyssa Wolford.

Decorations for stocking for soldiers will stay at HF in the PTO storage space.

We have to set a budget for next year and have it approved.

We should put flyers out for other parents to join. We are in need of other parents to set up committees. We could do a signup Genius like we did for the Amazon list.

Michael Pinto should be asked to make an announcement about joining the PTO.

We need the parent liaison to check the mail boxes for permission slips.

We should have another teacher as a teacher liaison. The teacher could get more teachers involved and keep us abreast of anything happening around the school.

School dude must be used for signing up to use space in the school for PTO meetings. Old members seem to be using PTO space. Members should be contacted before anyone goes in that closet.

Jessica D. can bring a tactical box for major storages of supplies in the closet. No one would be able to open it except board members.

Jessica R. is suggesting a link for spirit teams parafenaila . Parents can use it to order things from and we can get funds as they order.

Still looking into a WAWA fund raiser.

Sub for the Superbowl will create a got amount of money if we can get the parents interested. It would also be a good way for the students to serve the community.

We are still working on raising funds for t-shirts and a spring gala for the parents to come out and enjoy themselves. Time , Location and cost Still to be determined.

Next Meeting January 14, 2020.

Meeting adjourned.
