Parental Objection to Release Student Information to Vocational Schools

Dear Parent/Guardian:

Pursuant to N.J.S.A 18A:54-20.3 school districts must provide pupil directory information for students enrolled in grades 6-9th upon request by a county vocational school district. Pemberton Township Schools is required to release the names and addresses of 6th, 7th, 8th, and 9th grade students to Burlington County Institute of Technology. While we promote any opportunity for families to give their children learning opportunities that suit their needs and wishes, we also want to provide you with an opportunity to opt out of unwanted solicitation.

By checking below, you are instructing Pemberton Township Schools to withhold your child's name from mailing lists sent to Burlington County Institute of Technology.

_____ I am requesting that you DO NOT include my son/daughter's name on any lists requested by BCIT. This agreement is in effect for the 2020-2021 school year.
