COVID-19 Daily Screening for Students

Dear Parents/Guardians,

The NJDOE in their return to school document entitled, The Road Back, states school districts must adopt a policy for screening students upon arrival for symptoms and history of exposure. The Pemberton Township School District is requiring a daily symptom check at home prior to your child returning in person to school. We are asking the parents do this at home each day for the 2ND marking period (November 16, 2020-January 28, 2021).

By checking this box I acknowledge that I will take my child's temperature and look for any symptoms that could indicate a Covid-19 infection. If two or more of the fields in Column A are checked off or at least one field in Column B is checked off, I will keep my child home and notify the school.

Section 1: Symptoms

Any of the symptoms below could indicate a COVID-19 infection in children and may put your child at risk for spreading illness to others. Please note that this list does not include all possible symptoms and children with COVID-19 may experience any, all, or none of these symptoms. Please check your child daily for these symptoms:

Column A

Section 2: Close Contact/Potential Exposure

Please verify if:

<input type="checkbox"/>	Your child has had close contact (within 6 feet of an infected person for at least 10 minutes) with a person with confirmed COVID-19
<input type="checkbox"/>	Someone in your household is diagnosed with COVID-19
<input type="checkbox"/>	Your child has traveled to an area of high community transmission .

If **ANY of the fields in Section 2 are checked off**, your child should remain home for 14 days from the last date of exposure (if child is a close contact of a confirmed COVID-19 case) or date of return to New Jersey.
