Change My Benefits

Hi, I'm Sofia

ENROLL, CHANGE, OR WAIVE COVERAGE

If you are a new retiree, you have **60 days** to make changes to your retiree benefits coverage.

Click on the **Change My Benefits** button. This will bring up the **Reason for Change** page. You can click on the drop down arrow next to **Life Event** and choose your reason for needing a change.

Review your personal information, dependent information, and benefit elections to make sure they are all accurate, then click **Looks Good**. Be sure to update your contact information so we can send you the latest information on your benefits.

The next set of screens will walk you through the enrollment process step-by-step, showing you available benefit options to elect or waive coverage.

To complete your enrollment, click **Approve**. On the confirmation screen, click **I Agree**.

When your enrollment is complete, you will receive a confirmation number and you may print your **Benefit Summary** for your records.

Return to the **Home** page to check for any additional tasks needed to complete your enrollment. If you've added new dependents, you will be prompted to provide supporting documentation. The NJDPB team will then review all uploaded documents before your dependent is verified and approved for coverage.

NEED TO MAKE CHANGES?

Once you enroll or make a change, you cannot make additional changes to your coverage for 12 months unless you experience a Qualifying Life Event.

To change your retiree plan or to report a Qualifying Life Event, such as a marriage, you can once again click on the **Change My Benefits** button.

Click on the **Life Event** dropdown menu and select an option. In the following pop-up box, enter the effective date of the change.

AFTER YOU ENROLL

Download the **MyChoice Mobile App**.

Visit this site anytime you want to learn more about your benefits or even search for a new provider and book an appointment using **MyChoice® Find a Provider**.
