Revised 08/17/2022

SALARY UPGRADE INSTRUCTIONS

- ❖ Salary upgrades are considered for approval twice during a school year -- (August and February deadlines, see PTEA handbook for further details)
- ❖ This Salary Upgrade Form should be submitted to the department of Human Resources requesting a salary upgrade (ex. from BA to BA+15).
- ❖ An official transcript is required. If you do not have the transcript at the time of your request, it must be received by HR by the deadline (either August 1 or February 28). If your transcript was submitted for tuition reimbursement, please indicate that on the form.
 - Transcripts must meet the following criteria to be accepted:
 - Contain institution's seal and registrar's signature for acceptance
 - Physical copies must be sealed upon receipt by HR
 - Electronic copies must come directly from the institution
 - If you have earned credits from more than one institution, we will need transcripts from all institutions.
- ❖ Your transcript(s) will be reviewed for passing grade(s), and credit verification. After transcript verification, your request will be submitted on the board agenda for the month in which you applied.
 - Please note that, in order for extra credits to be considered for salary upgrades, they must not show as part of your earned degree. Additional credits must have been earned after your graduation date. (i.e. BA degree was earned 05/14/2019 and 15 credits were awarded for courses taken beginning in the Fall of 2019)
- ❖ After Board approval, you will receive your new salary retroactive to the first day of the month of application (September or April). Your pay increase will take effect by the second pay of the month following Board approval.
