

Pemberton Township Schools

Summer Enrichment (2025) Students Entering Grades K-5

Name: _____ Gr: _____

Dear Pemberton Families,

One of the true joys of summer is having extra time to enjoy stories together. Whether it's reading under a shady tree or sharing a bedtime book, we encourage you to find joy in reading whenever you can.

This summer's reading theme is *Color Our World!* We invite you to kick off your summer by exploring books that brighten your imagination and bring color to your world. To help get you started, we've included a variety of suggested reading experiences—but feel free to explore your own choices or visit the Pemberton Library for even more inspiration!

When school resumes in September, we'd love to hear about your reading adventures! Students who return their completed summer reading and math logs to their school by Thursday, September 11, 2025, will be celebrated for their accomplishments.

Have fun reading and practicing those math skills!!
