

# PARENT UNIVERSITY

A weekly series of video tutorials created to help parents support their child in a virtual environment

## Week 1: Navigating Google Classroom Parent 101

This pre-recorded Parent University class will help you understand and navigate Google Classroom to assist your child

---

The Parent University link will be shared every Tuesday via email, website and social media. You can download at your convenience—please take time to view these 20-minute custom tutorials that will help you navigate the virtual environment!

### Upcoming Parent University Topics Include:

- Navigating ConnectEd Platform
- Social-Emotional Strategies for Teenagers
- Financial Aid and College Applications
- Scholarships and Naviance Platform

When schools work together with families to support learning, students perform better in school and throughout life!
