

FORT DIX ELEMENTARY PRESENTS...

OUR CHRISTMAS "MITTEN TREE"

The holidays
are a time when
many families who
are less fortunate have
the need for many simple
items. It is our tradition at Fort
Dix School to collect mittens, gloves,
hats, and scarves for our "mitten tree"
which will be donated to help many families
in need. If you would like to contribute, please
bring in your newly purchased winter accessories and
hang them on our tree in the foyer of our building. Our
students will get so excited watching our "mitten tree" grow!

Thank You and Happy Holidays from THE MAIN OFFICE!
