

Grade 7 Art

Unit Title: Creating Space - Seventh Grade

Stage 1: Desired Results

Standards & Indicators:

NJSLS - Visual and Performing Arts

Creating

Anchor Standard 1: Generating and conceptualizing ideas.

Performance Expectations:

1.5.8.Cr1a: Conceptualize early stages of the creative process, including applying methods to overcome creative blocks or take creative risks, and document the processes in traditional or new media.

1.5.8.Cr1b: Develop criteria, identify goals and collaboratively investigate an aspect of present-day life, using contemporary practice of art or design.

Anchor Standard 2: Organizing and developing ideas.

Performance Expectations:

1.5.8.Cr2a: Demonstrate persistence and willingness to experiment and take risks during the artistic process.

1.5.8.Cr2b: Demonstrate an awareness of ethical responsibility as applied to artmaking including environmental implications, responsibility in sharing images online, appropriation, and intellectual property ethics.

1.5.8.Cr2c: Apply, organize and strategize methods for design and redesign of objects, places, systems, images and words to clearly communicate information to a diverse audience.

Anchor Standard 3: Refining and completing products.

Performance Expectations:

1.5.8.Cr3a: Use criteria to examine, reflect on and plan revisions for a work of art, and create an artistic statement.

Presenting

Anchor Standard 4: Selecting, analyzing and interpreting work.

Performance Expectations:

1.5.8.Pr4a: Investigate and analyze ways artwork is presented, preserved and experienced, including use of evolving technology. Evaluate a collection or presentation based on this criterion.

Anchor Standard 5: Developing and refining techniques and models or steps needed to create products.

Performance Expectations:

1.5.8.Pr5a: Individually or collaboratively prepare and present theme-based artwork for display and formulate exhibition narratives.

Anchor Standard 6: Conveying meaning through art.

Performance Expectations:

1.5.8.Pr6a: Analyze how exhibitions in different venues communicate meaning and influence ideas, beliefs and experiences.

Responding

Anchor Standard 7: Perceiving and analyzing products.

Performance Expectations:

Grade 7 Art

1.5.8.Re7a: Explain how a person's aesthetic choices are influenced by culture and environment, and how they impact the way in which visual messages are perceived and conveyed.

1.5.8.Re7b: Compare and contrast cultural and social contexts of visual arts and how they influence ideas and emotions.

Anchor Standard 8: Interpreting intent and meaning.

Performance Expectations:

1.5.8.Re8a: Interpret art by analyzing how the interaction of subject matter, characteristics of form and structure, use of media, art making approaches, and relevant contextual information contributes to understanding messages or ideas and mood conveyed.

Anchor Standard 9: Applying criteria to evaluate products.

Performance Expectations:

1.5.8.Re9a: Create a convincing and logical argument to support an evaluation of art. Explain the difference between personal and established criteria for evaluating artwork.

Connecting

Anchor Standard 10: Synthesizing and relating knowledge and personal experiences to create products.

Performance Expectations:

1.5.8.Cn10a: Generate ideas to make art individually or collaboratively to positively reflect a group's identity.

Anchor Standard 11: Relating artistic ideas and works within societal, cultural and historical contexts to deepen understanding.

Performance Expectations:

1.5.8.Cn11a: Analyze and contrast how art forms are used to represent, establish, reinforce and reflect group identity and culture.

1.5.8.Cn11b: Analyze and contrast how art forms are used to reflect global issues, including climate change.

2020 1.2 Media Arts Standards

- **1.2.8.Pr6a:** Analyze and design various presentation formats and tasks in the presentation and/or distribution of media artworks.
- **1.2.8.Pr6b:** Analyze benefits and impacts from presenting media artworks.
- **1.2.8.Re7a:** Compare, contrast and analyze the qualities of and relationships between the components and style in media artworks.
- **1.2.8.Re7b:** Compare, contrast and analyze how various forms, methods and styles in media artworks affect and manage audience experience and create intention when addressing global issues including climate change.

NJSLS - Career Readiness, Life Literacies, and Key Skills

9.4.8.CI.2: Repurpose an existing resource in an innovative way (e.g., 8.2.8.NT.3).

9.4.8.CI.4: Explore the role of creativity and innovation in career pathways and industries.

9.4.8.DC.1: Analyze the resource citations in online materials for proper use.

9.4.8.DC.2: Provide appropriate citation and attribution elements when creating media products (e.g., W.6.8).

9.4.8.DC.6: Analyze online information to distinguish whether it is helpful or harmful to reputation.

9.4.8.IML.9: Distinguish between ethical and unethical uses of information and media (e.g., 1.5.8.CR3b, 8.2.8.EC.2).

9.4.8.IML.10: Examine the consequences of the uses of media (e.g., RI.8.7).

9.4.8.IML.15: Explain ways that individuals may experience the same media message differently.

Stage 3: Learning Plan

Learning Opportunities/Strategies:

Contrast Introduction

- Explain the definition of contrast.
- Discuss examples of things that contrast in the following groups: color, value, shape, line, form, size, and texture.
- Identify different examples of contrast in the room.
- Observe famous artwork and identify contrast found in the artwork.
- Experiment with ways to make contrast.

Drawing with Colors that Contrast

- Identify colors that contrast: warm and cool, complementary, and dark and light color values.
- Observe colors that contrast in artwork.
- Brainstorm ideas for the subject of a drawing that uses color contrast.
- Draw from the world and resources to influence the drawing.
- Create a drawing that uses color contrast.
- Apply the colors so that the object contrasts with the background.
- Student self assessment (critique)

Silhouette Drawing

- Identify and explain silhouettes.
- Discuss the way that silhouettes contrast with the space around them.
- Identify that the silhouette is the positive space and the background is the negative space.
- Observe how artists use silhouettes in artwork.
- Draw from the world and resources to influence the drawing.
- Create a silhouette drawing that uses contrast in value (dark and light).
- Class critique
- Student self assessment

Central Idea / Enduring Understanding:

- Digital art is art done on a computer.
- Digital art can be made with many different programs and apps.
- Digital art is used in almost all parts of our society (advertising, games, movies, social media...).
- Understanding how to work with a digital art program will prepare students for future possibilities in almost any career.
- Art programs have tools: brushes, pens, erasers, paint buckets, layers, select tools.
- Layers are used to overlap drawing information.
- Layers can be hidden and merged with other layers.
- Opacity levels can be adjusted to make something see through or solid.
- Select tools can be used to copy information and edit spaces without affecting other areas.
- Images can be imported and transformed with art programs.
- An advertisement is created to sell an item/object.
- It is important to be mindful of copyrighted images and information.

Essential/Guiding Question:

- What is digital art?
- Where can we see digital art in our lives?
- What are some forms of digital art?
- What programs do we use already that are digital art programs?
- How do artists use digital art to create logos and designs that can be marketed (sold)?
- What is a layer and how do I create, delete, merge, and hide layers?
- What are the tools I can use to draw and how do I switch and adjust tools?
- What is opacity and how do I adjust it?
- How do I use the select tool?
- How do I copy and paste?
- How do I make shapes?
- How do I use the paint bucket?
- How do I save my work?
- How do I share my work?
- How do I flip or alter shapes/images?
- How do I import a picture?
- What is a copyright?
- What is an advertisement?
- How do I find images that are not copyrighted?
- When is it okay to use copyrighted information?
- How can I use digital art in the future?

Content:

- Digital Art
- Drawing Tools
- Color Swatch
- Paint Bucket
- Select Tools
- Import Pictures

Skills(Objectives):

- I can explain what digital art is.
- Recognize digital art in my life and the community.
- Create digital art.
- Use digital art to redesign/repurpose an item (shoes, clothing, cars).

Grade 7 Art

<ul style="list-style-type: none"> • Altering shapes/images • Layers: New, Delete, Merge, Hide • Opacity • Saving Work • Send/Share • Advertisement • Copyright 	<ul style="list-style-type: none"> • Create an advertisement for the item I redesigned. • Use tools within a digital art program: layers, select tools, paint bucket, drawing tools, color swatch, copy, paste, alter, import. • Be inspired by other artists and their work. • Be mindful of copyrighted material.

Interdisciplinary Connections

Interdisciplinary curriculum coordination will be done with other departments on a regular basis. The nature of the art discipline demands varied access to any of the following areas: art, English Language Arts, social studies/history, science, mathematics, business, physical education and/or technology.

Stage 2: Assessment Evidence

Performance Task(s):

- Project-based assessments
- Participation

Other Evidence:

- Teacher observation
- Teacher-student discussions
- Student self-assessment

Stage 3: Learning Plan

Learning Opportunities/Strategies:

Digital Art Introduction

- Discuss digital art and where it can be found in our society.
- Observe a variety of digital art.
- Discuss how students make digital art through phone apps and social media.
- Discuss the benefits of learning to work with a digital art program.
- Create a drawing canvas in a digital art program.
- Learn or review where all of the tools are in the digital art program.
- Learn or review how to use all of the tools in the digital art program.
- Experiment/explore the tools in the program.
- Learn or review how to save and send.

Digital Artwork

- Review how to use the drawing tools, color swatch, layers, shape tools, paint bucket, select tool, import, and text.
- Discuss how artists use digital art to create designs and logos that can be marketed (sold).
- Observe artwork that has been redesigned.
- Discuss copyright information.
- Brainstorm an item to be redesigned.
- Create a new canvas.
- Use the tools in the digital art program to redesign an item or logo.
- Class critique
- Student self critique
